DETAILED ACTION

The following action is in response to the amendment received August 7, 2009.

Claims 19-41 are pending.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 41 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. There is no proper antecedent basis for "said second adjusting device" recited in the next-to-last line of claim 41.

Allowable Subject Matter

Claims 19-40 are allowed.

Claim 41 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

Applicant's arguments, filed August 7, 2009, have been fully considered and are persuasive. The rejections of claims 19-41 under 35 USC 112, 2nd paragraph, as set forth in the previous Office action, are withdrawn. Claims 19-40 are believed to

Art Unit: 3655

distinguish over the prior art of record for the reasons set forth in applicant's remarks, pages 13-14 of the response filed August 7, 2009. Accordingly, the rejection of claims 19-38 under 35 USC 103(a) is withdrawn. Claim 41 is rejected under 35 USC 112, 2nd paragraph, because the claim now lacks an antecedent basis for "said second adjusting device". It appears that a section of the independent claim was omitted in rewriting the claim in independent form.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
